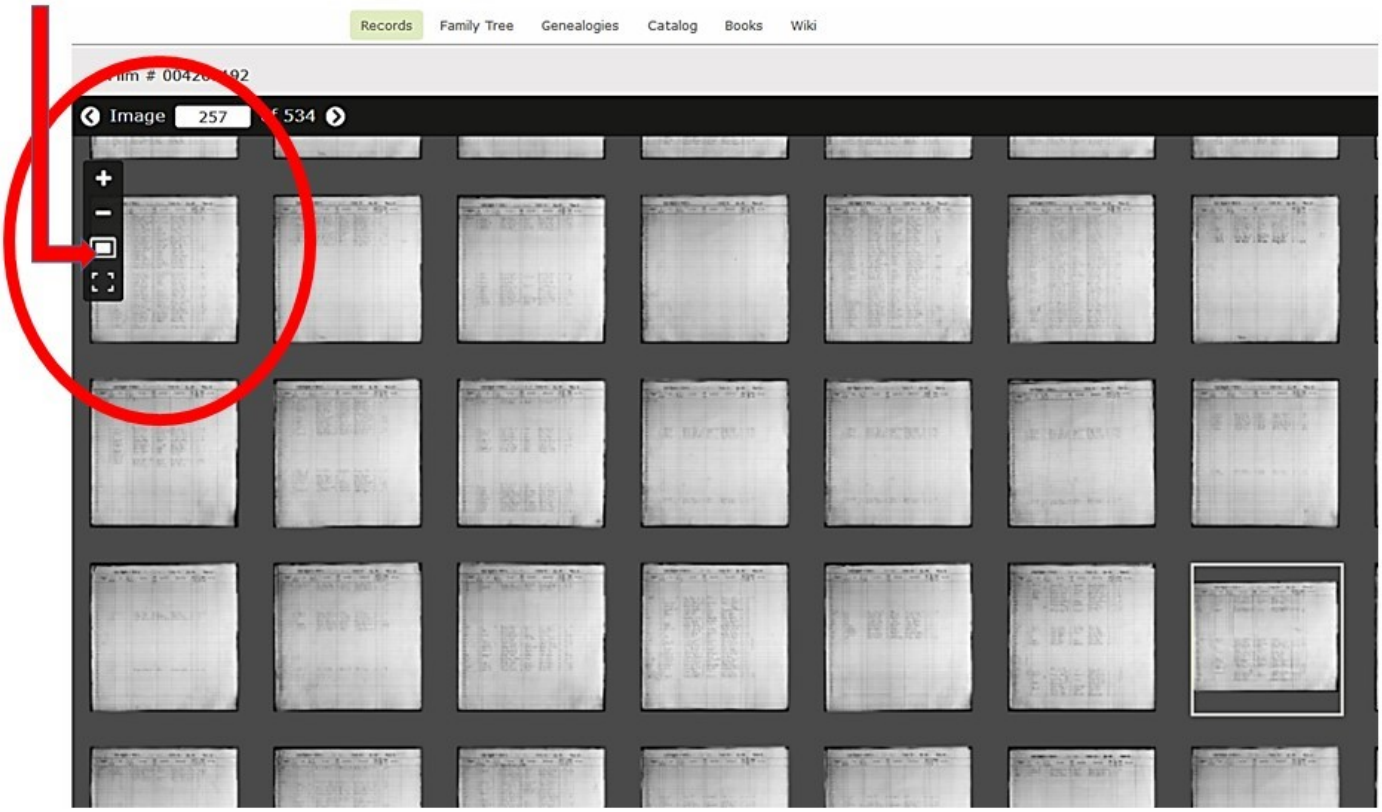
Film numbers were not in numerical order

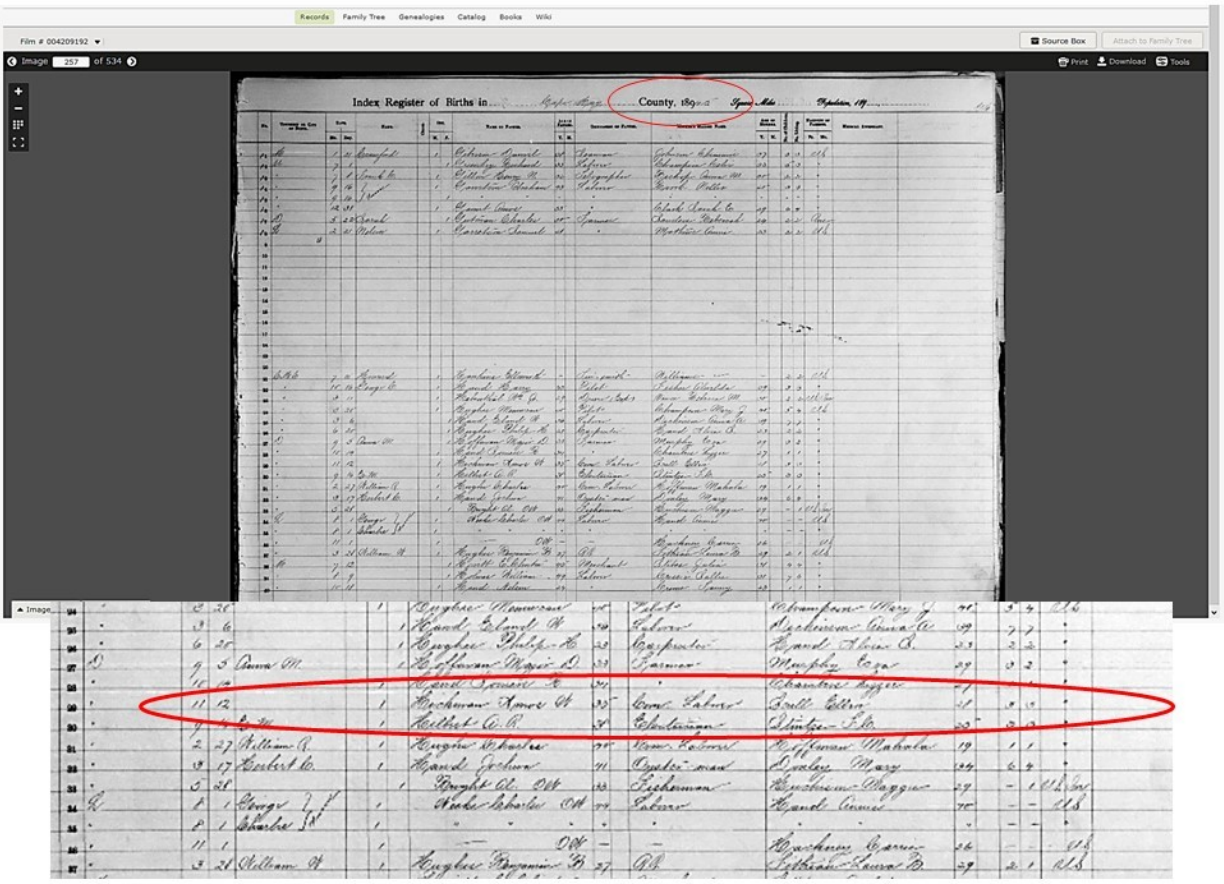
I had to scroll **WAY DOWN** to find the film #

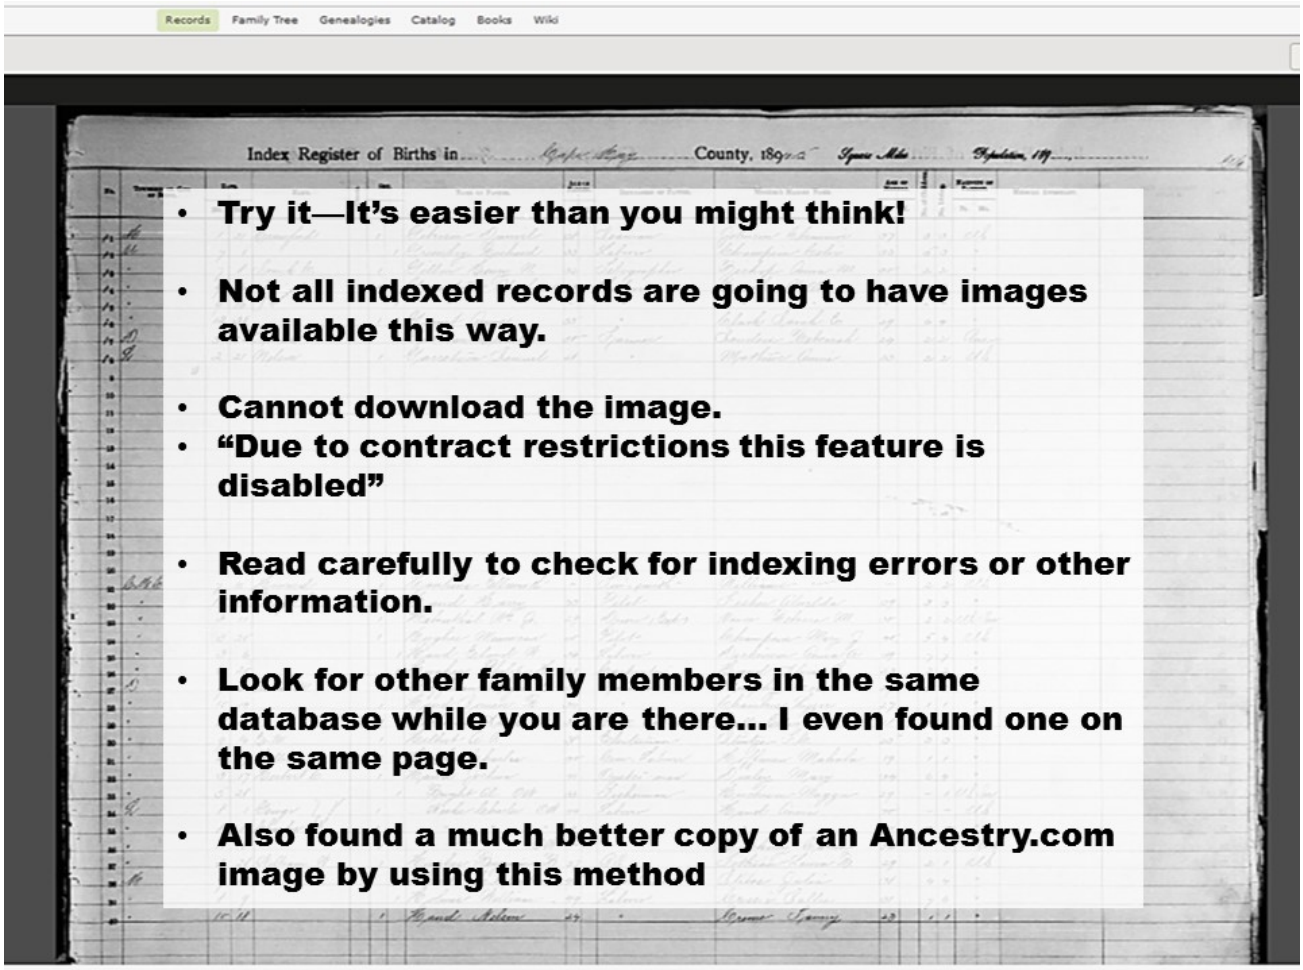
Click on Camera Icon

- Add Image #
- OR Play Battleship
- Check for index/ other information at beginning or end of the images

View Single Image







- **Try it—It's easier than you might think!**
- **Not all indexed records are going to have images available this way.**
- **Cannot download the image.**
- **"Due to contract restrictions this feature is disabled"**
- **Read carefully to check for indexing errors or other information.**
- **Look for other family members in the same database while you are there… I even found one on the same page.**
- **Also found a much better copy of an Ancestry.com image by using this method**
