

You've heard about the ABC's....
But, what about the CBA's of Preservation???

WHAT THINGS SHOULD BE DIGITIZED OR PROTECTED FIRST?

#1-C—Anything **COLORED**: Photos, slides, film, yellowing/aging papers
Anything not stored and/or back-up in the **CLOUD**

#2-B—Anything **BORROWED** from someone else
BLACK and **WHITE** photos, negatives and slides
Anything in your **BRAIN** that is not documented elsewhere
Additional physical **BACKUP** of digital files

#3-A—Additional **ANALOG** media (sound recordings, magazines, videotapes etc.)
Anything important to you/ your family not protected in an **ARCHIVAL** manner

Bonus D—Any other **DIGITAL** media that isn't safely backed up
